WORK EXPERIENCE

Comtanix CURRENT

June 2025 – Present

SRSEOSpecialist & Digital Marketer · Onsite

- Developed and executed comprehensive SEO strategies improving search rankings, organic traffic, and digital visibility.
- Conducted in-depth keyword research and competitor analysis using SEMrush, Ahrefs, and Google tools.
- Managed on-page SEO including metadata, site structure, internal linking, and content optimization.
- Performed technical SEO audits resolving indexing issues, crawl errors, and performance bottlenecks.
- Implemented GEO strategies to boost brand visibility and citations in ChatGPT, Gemini, Perplexity, and Google AI Overviews.
- Applied AEO: answer-first content, FAQ/schema markup, and featured snippet targeting for zero-click and voice search.
- Optimized content for LLM ranking using entity-based content, topical authority, and E-E-A-T signals; tracked AI visibility.
- Implemented off-page SEO strategies including backlink building, outreach, and authority development.
- Managed social media platforms (LinkedIn, Instagram, Facebook, Pinterest) to enhance brand visibility.
- Planned and executed social media strategies including content calendars and campaign planning.
- Ran and optimized Meta Ads campaigns focusing on brand awareness, engagement, and audience growth.
- Built targeted ad sets using audience segmentation to improve campaign performance and ROI.
- Tracked and analyzed KPIs: traffic, rankings, engagement, conversions, and campaign performance.
- Delivered detailed monthly reports covering SEO, social media, and paid campaigns.
- Collaborated with creative teams to produce high-performing visual content optimized for engagement.

Mirpur Visa Consultant – Averroes Technology

Oct 2024 – June 2025
